Convenient Online Camper Intake Form Submission

You asked and we listened. Effective January 15th, 2020 you will have the ability to complete, update and submit your entire camper intake packet online using your Campminder account. All forms will be saved to reduce the enrollment process year-over-year. Families needing a paper form can make a request by email to tyessa@nageelamidwest.org. We would like to encourage the utilization of the online forms to ensure they are received in a timely fashion prior to your sessions' start date. Missing or incomplete forms may result in session cancellation.

Thank you for your cooperation and support!

SUMMER SESSION

2020 Respite & Summer Camp Registration - OPEN

Can you believe it? 2020 is finally here and there are only 5 more months until our summer programming begins. We are so excited and can't wait to see you all. Help us max out each session and enroll today. Simply register with a paid deposit to secure your spot. Currently, we are within our Respite season and registration is open for sessions 3-8, sign up today and plan your "me-time" weekend to start off the new year.

Communication is the key to success

We are proud to announce the development and launch of our NEW WEBSITE www.campredleaf.org. Please click around and get familiar with the site as we are starting to use it as a form of communication. Facebook and Campminder are also used to send out memo's, reminders, newsletters, invoices etc... Be sure to subscribe and stay in touch.
